

Cinedigm's Faith-Based Digital-First Network The Dove Channel Presents Kirk Cameron's Hit Film Series REVIVE US & REVIVE US 2 Streaming For Free From 5/5 To 5/11

April 26, 2018

And the Dove Channel Flies North, as the Network is Now Available to Roku Users Throughout Canada

SHERMAN OAKS, Calif., April 26, 2018 (GLOBE NEWSWIRE) -- [Cinedigm](#) (NASDAQ:CIDM) announced today a special free event, as the company's popular faith-based digital-first network the [Dove Channel](#) presents celebrated actor, producer, and evangelist Kirk Cameron's hit worship series *Revive Us* and *Revive Us 2*—streaming from Saturday, May 5 through Friday, May 11. Additionally, Roku users in Canada will be able to enjoy this moving double feature, as the Dove Channel is now available on devices across the country.

Released in 2016, one week before the historic presidential election, *Revive Us* is a "National Family Meeting"—a call to prayer, worship, and discussion as Cameron shares God's timeless message of love and hope for His children to guide them through the polarizing political climate. Joining Cameron in this insightful evening is an impressive roster of influential figures including renowned surgeon and current HUD Secretary Dr. Ben Carson; fan-favorite author and speaker Francis Chan; writer and radio host Eric Metaxas; and noted theologian Jennifer Rothschild.

Taking place exactly one year later, *Revive Us 2* takes stock of the state of the Nation following the 2016 election. With racial, social, political, economic, and even religious tensions at an all time high, Cameron delivers a powerful message of unity and lays out an effective blueprint for how to achieve it. Guests include Dr. Ben Carson, as well as *Fireproof* filmmakers Alex and Stephen Kendrick; evangelical author and host Joni Eareckson Tada; Christian author and apologist Ravi Zacharias; and GRAMMY® Award-winning artist Zach Williams, among others.

The Dove Channel was created as a response to high consumer demand for family-friendly and faith-driven content, offering viewers a safe streaming option and full access to the largest programming library of high-quality values-based films, children's programs, documentaries, and series in the streaming marketplace. Additionally, the Dove Channel features a dynamic Customization Tool, giving viewers complete control of their content by selecting which type of entertainment they would like to enjoy that best fits their family's unique personal preferences. Users can feel assured knowing that all content featured on the Dove Channel lives up to the high standards of The Dove Foundation and its esteemed Faith & Family Dove Seals Of Approval—serving as an invaluable resource for families across the country for over 27 years.
