

## Cinedigm Digital-First Dove Channel Network on Sling TV

June 28, 2018

### Dove Gives Sling TV Users Access to the Largest Library of Values-Based Films and Series in the Streaming Market

SHERMAN OAKS, Calif., June 28, 2018 (GLOBE NEWSWIRE) -- [Cinedigm Corp.](#) (NASDAQ:CIDM) announced today a multi-year agreement to launch the Company's digital-first Dove Channel as an integrated on-demand offering on Sling TV, the leading live streaming TV service. With the rollout of the popular family and values-based Dove Channel—launching today—Cinedigm makes its debut on Sling TV.

The Dove Channel is now available to Sling TV subscribers throughout the U.S., offered as an individual add-on for \$5 a month.

The Dove Channel was created as a response to high consumer demand for family-friendly and values-driven content, offering viewers a safe streaming option and full access to the largest programming library of high-quality films, children's programs, documentaries and series in the streaming marketplace. Sling TV users can feel confident knowing that all content featured on the Dove Channel meets the high standards of The Dove Foundation and its esteemed Faith & Family Dove Seals Of Approval—serving as an invaluable resource for families across the country for over 27 years.

"Cinedigm is excited to further expand our distribution and consumer footprint with Sling TV," said Bill Sondheim, President of Cinedigm's Entertainment Group. "With the addition of Dove Channel, Sling TV customers have access to new options to watch high-quality family and values-focused programming, in addition to the wide variety of popular content Sling TV already offers."

#### ABOUT Cinedigm

Cinedigm (NASDAQ:CIDM) powers custom content solutions to the world's largest retail, media and technology companies. The global company provides premium feature films and series to digital platforms including iTunes, Netflix, and Amazon, cable and satellite providers including Comcast, Dish Network and DirecTV, and major retailers including Walmart and Target. Leveraging Cinedigm's unique capabilities, content and technology, the company has emerged as a leader in the fast-growing digital-first channel business, with four networks under management that reach hundreds of millions of devices while also providing premium content and service expertise to the entire OTT ecosystem. With reciprocal distribution partnerships in both the United States and China, Cinedigm's growing stable of platforms have unprecedented availability in the two largest markets in the world.
