January 7, 2020

LOS ANGELES, Jan. 07, 2020 (GLOBE NEWSWIRE) -- Comedy Dynamics announced today that their fully-curated linear version of the ad-supported video-on-demand service is now available on Samsung TV Plus. The linear channel offers a fully programmed television experience, presenting 24/7 stand-up comedy specials carefully curated by Comedy Dynamics' expert staff.

Samsung TV Plus is Samsung's free ad-supported Smart TV video service, delivering free TV, no strings attached with instant access to news, sports, entertainment, and more. Pre-installed on all 2016-2019 Samsung Smart TVs, millions of users use Samsung TV Plus, making it one of the top apps on the Samsung Smart TV platform. Users can instantly watch TV for free with just an internet connection — no download, additional devices, or credit card needed. Viewers can enjoy Comedy Dynamic's rich and extensive library of comedy programming for free at no additional cost.

Founded in 2008, Comedy Dynamics has emerged as the largest independent producer of stand-up comedy content in the United States, and home to the number one independent comedy video and audio catalog in the industry. With this new linear network, Samsung TV Plus users can enjoy Comedy Dynamic's plethora of award-winning specials, both classic and modern, starring some of stand-up's most iconic performers.

Key programming highlights include non-explicit versions of all-star comedy specials such as **Jim Gaffigan, Whitney Cummings, Kevin Hart, Tom Segura, Iliza Shlesinger, Tiffany Haddish, Jeff Dunham, Maria Bamford, Bob Saget, Tim Allen, Nick DiPaolo, Eddie Griffin, Bill Hicks**, and more.

"We're ecstatic to be partnering with Samsung to take another step towards our commitment to providing top-tier comedy content for the masses, no matter where you prefer to view," said Brian Volk-Weiss, Founder of Comedy Dynamics.

"Comedy Dynamics gives viewers the best seat in the house every night, delivering an unprecedented library of classic and modern specials from comedy's biggest names and brightest stars," said Tony Huidor, General Manager of Cinedigm Digital Networks. Cinedigm is the distributor of the channel.
