SPY INTERVENTION SYNOPSIS:

When Corey Gage (Drew Van Acker), the world's greatest spy, suddenly meets the woman of his dreams (Poppy Delevingne), he decides to abandon his adventurous existence and settles for the security of suburbia - a quaint existence he's never known. It doesn't take long for him to be completely bored and while he refuses to admit it, when an evil plot to ruin the world pushes his former spy friend (Blake Anderson) to enact a "spy intervention," he is easily convinced that if he returns to his old life, the adventure will not only help save his listless marriage, it will also save the world. SPY INTERVENTION also stars Natasha Bassett, Brittany Furlan and Max Silvestri.
