### This Harrowing Story Of Bravery Receives Its Home Premiere On November 6

LOS ANGELES--(BUSINESS WIRE)--Oct. 21, 2020-- Cinedigm (NASDAQ: CIDM) and Schuetzle Company Productions announce the release of **BATTLE OF THE BULGE: WINTER WAR** On Demand & Digital leading up to Veterans Day weekend on November 6.

As a result of the strong performance of 2018's **BATTLE OF THE BULGE: WUNDERLAND**, which generated over a million dollars in home entertainment revenue on Blu-ray, DVD & Digital, writer/director Steven Luke returns to the big screen with a new tale of bravery and bloodshed. After fending off the German army in **WUNDERLAND**, Lt. Robert Cappa and his platoon must brace themselves for a second wave of brutal combat through unimaginable conditions in **BATTLE OF THE BULGE: WINTER WAR**. Leading a talented ensemble, veteran actor Tom Berenger (*Platoon*) reprises his role as Major McCulley and is supported by the ever versatile and talented Billy Zane (*Titanic*).

As the snow begins to fall, the stakes start to rise in **BATTLE OF THE BULGE: WINTER WAR**. After their victory in *Wunderland*, Lt. Robert Cappa and his platoon of 2nd Infantry Division soldiers are again asked to put themselves in peril to ward off the enemies of freedom. Posted at a crucial supply depot, they must defend the precious resources from an onslaught of German soldiers. With enemies surrounding him, Lt. Cappa realizes that some of his allies are not what they seem. Through this haze of deception, he must lead his troops through the waves of advancing forces if the allied nations have any chance of winning the war.

Producers of the film include Dean Bloxom and Trinity Schuetzle. Executive Producers are Dean Bloxom, Graham Schuetzle, and Andre Relis.

"With **BATTLE OF THE BULGE: WINTER WAR**, Steven once again delivers a dramatic and immersive WWII tale," said Melody Fowler, Cinedigm's Vice-President of Acquisitions. "The film pays tribute to the bravery and sacrifice of our soldiers, who faced overwhelming odds but refused to give up. This enduring message of courage and perseverance will resonate strongly with audiences today."
