ACCESS INTEGRATED TECHNOLOGIES TO PRESENT AT ROTH CAPITAL PARTNERS 17TH ANNUAL GROWTH STOCK CONFERENCE

- Pavilion to Serve as Both Profit Center and Showcase for New Digital Cinema Technologies -

MORRISTOWN, N.J. - February 16, 2005- Access Integrated Technologies, Inc. ("AccessIT") (AMEX: AIX) announced that the company will be presenting at the Roth Capital Partners Dana Point, California Conference on February 23rd. The conference is being held at the St. Regis Monarch Beach Resort & Spa.

Bud Mayo, AccessIT's Chief Executive Officer will present an overview of the motion picture entertainment industry's transition to digital technologies. He will also discuss how AccessIT's fully integrated suite of products and services speeds this transition and positions the company to potentially capture significant market share of the content management and delivery service revenues.

Access Integrated Technologies, Inc. (AccessIT) is an industry leader in offering a fully managed storage and electronic delivery service for owners and distributors of digital content to movie theaters and other venues. Supported by its robust platform of fail-safe Internet data centers, AccessIT is able to leverage the market-leading role of its Theatrical Distribution System (TDS) with its innovative digital delivery capabilities and in-theatre software systems to provide the highest level of technology available to enable the emerging Digital Cinema industry to transition from film without changing workflows. About the Roth Capital Partners 17th Annual Growth Stock Conference

This conference will feature more than 220 leading growth companies in sectors such as Technology, Healthcare, Financial Services and Consumer Products. A concentrated, two-day program will allow institutional investors to meet the executives from a select group of companies that have been hand picked by the Roth Capital Partners research team. 40% of this year's participating companies are presenting here for the first time. The average market cap of this year's presenters is around \$330 million, with the median around \$185 million. This closely mirrors the average and median market cap for the proposed Russell Microcap™ Index which is expected to be around \$277 million and \$176 million respectively.

To register for this conference, please contact your Roth sales representative at 800-678-9147. Please note that this conference is by invitation only.

Safe Harbor Statement

Investors and readers are cautioned that certain statements contained in this document, as well as some statements in periodic press releases and some oral statements of AccessIT officials during presentations about AccessIT, along with AccessIT's filings with the Securities and Exchange Commission, including AccessIT's registration statements, quarterly reports on Form 10-QSB and annual report on Form 10-KSB, are "forward-looking" statements within the meaning of the Private Securities Litigation Reform Act of 1995 (the "Act"). Forward-looking statements include statements that are predictive in nature, which depend upon or refer to future events or conditions, which include words such as "expects", "anticipates", "intends", "plans", "could", "might", "believes", "seeks", "estimates" or similar expressions. In addition, any statements concerning future financial performance (including future revenues, earnings or growth rates), ongoing business strategies or prospects, and possible future actions, which may be provided by AccessIT's management, are also forward-looking statements as defined by the Act. Forward-looking statements are based on current expectations and projections about future events and are subject to various risks, uncertainties and assumptions about AccessIT, its technology, economic and market factors and the industries in which AccessIT does business, among other things. These statements are not guarantees of future performance and AccessIT undertakes no specific obligation or intention to update these statements after the date of this release.
